

Every day there are people in our community who act as “Angels” and invest their love and support in the lives of children. These Angels may be parents, family members, teachers, church members, or someone who may never have known what they meant to a child. This is **your** chance to recognize the Angel in **your** life!

Your Angel is defined as anyone, living or deceased, who has made, or continues to make, a difference in your life. Celebrate them by raising funds to continue to support the “Angels” in the lives of the children of Beaufort County.

The goal of the Angel Walk is to raise funds necessary to ensure that services are available to prevent child abuse and neglect in our community. These funds will help to provide prevention education, parenting classes, and family support counseling as well as intervention programs for children who need emergency shelter.

Child abuse and neglect is a community problem. It touches the lives of all socio-economic groups. The prevention of child abuse is the responsibility of **every** person in **every** community.

April is Child Abuse Prevention Month. Let us walk together to improve the lives of our children.

Child Abuse Prevention Association Mission:

CAPA exists to break the destructive cycle of child abuse and neglect by equipping parents, children and their caregivers with necessary skills, knowledge and values.

Angel Parade

We want all of our youngest community members to get involved in the Angel Walk! All children age 6 and under are invited to "create" their own set of wings and march in our parade. The parade will take place in the Waterfront Park after the walk concludes. You may create your own wings from scratch or stop by the CAPA office (714 14th Street, Port Royal) to pick up a cardboard template. Show off your "angelic style" in the CAPA Angel Parade!
